Subject: Re: Naming of a park in the City of Milpitas

City Clerk's Office

APR - 4 2016

RECEIVED

To the City of Milpitas Council Members

Good day to you all.

Again we are excited to hear that the City of Milpitas has considered to honor my father by naming a park after Larry. As you may not know I have been for many years trying to get my father the recognition that he deserves. On his passing he felt that he did not do enough. When in fact he did a tremendous amount of work for the good of all. He was one of our earliest Civil Rights Labor Leaders starting from the young age at 15 in 1929 striking the very first year he recruited to come to the land of milk and honey. Only to be exploited in the lettuce fields of Monroe, Washington. Many years before other noted great Civil Rights Leaders and like these great Civil Rights Leaders to the day of his passing. Larry did not care about receiving recognition he care about helping the invisible poor working class, about those who need help.

The Itliong family is so very honored for what you have done in my fathers name and even more so with the naming of a park after him. I was truly blessed to have a father like Larry and even more blessed that more and more people are learning about him and what a true Hero to the community he really was and inspiration to help our fellow brothers and sister in these times.

We thank you from the bottom of hearts
In Solidarity & Mabuhay
The Itliong Phamily
